COLLEGE

In college, so many students truly discover who they are and what they want from their lives. We all find the people most important to us that help us grow and learn and they are the people we will never forget. In your hands you hold a book full of all those memories shared with friends and so many more. We, as your yearbook staff, have spent this past year trying to catch every event on campus and making sure we captured as many of the year's memories as we could. This book is filled with so much hard work from a very dedicated group of students and staff, who wanted to make sure not only do they have a way to look back and remember their college years but that you, too, can look back and remember all the good times you had as well. As you flip through this book, you are bound to find pictures of you or your friends at a campus events having a great time. Those pictures will give you moments to look back upon and what they have meant to you. This book would not be possible if it were not for the hard work of so many people. So, please join me in personally thanking each of them for their hard work and dedication to the Tartan and another year of memories. It has been my honor to have been part of the yearbook editorial staff and I hope that whatever the future may hold for each of us that we can always look back to this book and remember all the great times shared between friends. Best wishes for a bright future and happy memories yet to come from all of us to all of you!

Sincerely,
Malyssa Semeken
Your 2005-2006 Yearbook Editor

We dedicate this yearbook in honor of:

Richard E. Palmer,B.A., M.A., Ph.D.
Joseph R. Harker Professor Emeritus of Philosophy
Hermaneutics Scholar in Residence

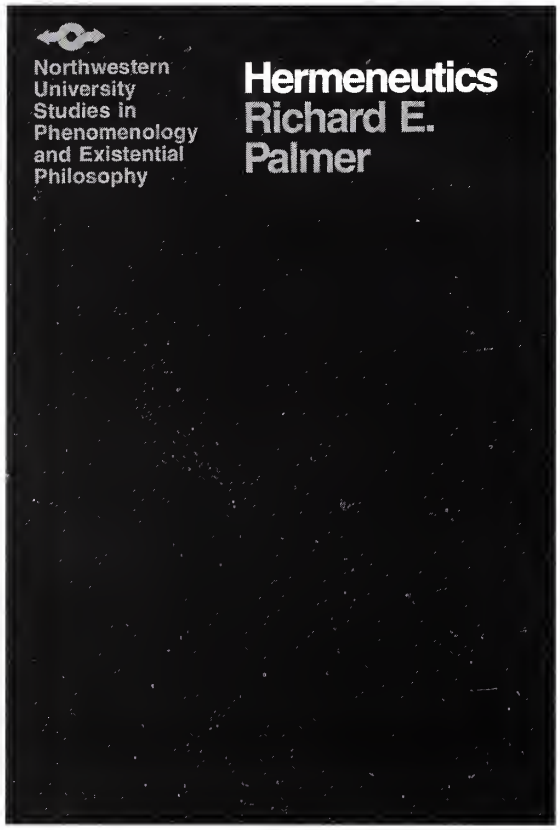
Dr. Richard E. Palmer

Not many philosophy professors have a softball field named after them...only one that we know of! Palmer Field was dedicated on April 22, 2003, with Dr. Palmer throwing out the first ball to catcher Christine Frasch.

(Photo: Steve Warmowski/Jacksonville Journal-Courier)

Dr. Palmer enjoys playing the piano and is quite accomplished! Here he celebrates his 72nd birthday on November 6, 2005, while friends join him in song.

Richard Palmer has lectured on and written about hermeneutics (theory of understanding and interpretation) for more than three decades. His introduction to the subject, written in 1969, has become a standard text and is translated into at least six languages...including Farsi! A sample is included here below. NOTE: Be sure you read RIGHT TO LEFT!



His four years of postdoctoral study in Heidelberg, Germany, with Hans-Georg Gadamer (1965-1996), and including two Fulbright Grants in the nineties, have been the foundation for dozens of articles and translations. A high-point in his career was participating in a seminar with Martin Heidegger in 1965. In 1999 Palmer retired to devote himself to translating and writing about the works and hermeneutical philosophy of Hans-Georg Gadamer.

Career Accomplishments:
5 books, 60 articles, 30 translations, 75 reviews. "My career goal has been to translate and interpret the philosophy of Hans-Georg Gadamer. I have lectured on his hermeneutical philosophy in France, Hungary, Italy, Germany, China, Taiwan, Peru, Mexico, Canada, and the U.S."

Philosophy: "I am a Quaker and committed to nonviolence and the civil rights of Blacks, women, poor people, and gays. I think military thinking is narrow and fails in the long run. I follow Heidegger and Gadamer in their critique of technology. I try to live simply and without ostentation."

Souvenirs from trip to China on display recently in Pfeiffer Library.

کتابنامه

کتابنامه‌ی حاضر به سه بخش تقسیم شده است. بخش اول (الف) مشتمل است بر عنوان مقالات و کتابهای چهار نظریه‌پرداز عمده‌ی علم هرمنوتیک، موصوف در این کتاب، و برخی آثار نوشته شده در زمینه‌ی نظریه‌ی عام هرمنوتیک که بسیاری از آن‌ها در حواشی نیز ذکر شدند. بخش دوم (ب) مشتمل بر مقالات و کتاب‌های موجود در حیطه‌ی علم هرمنوتیک کلامی و برخی آثار ابلینگ و فوکس [Fuchs] و رابینسون و دیگران است که با نام جنبش «هرمنوتیک نوین» شناخته می‌شوند. بخش سوم (ج) مشتمل است بر مقالات و کتاب‌های مذکور در متن که در دو دسته‌ی نخست نمی‌گنجید، اما به طور اخص شامل عنوان‌هایی است که نگارنده به آن‌ها برخورده است و به نظر او رسیده که ابر آثار اندیشه‌های مضمر برای نظریه‌پردازی در باب ماهیت کلی تأویل به دست می‌دهند.

بوسنده بر آن بوده است که در این‌جا بسیاری از آثار عربی‌ی دوم موجود درباره‌ی این چهار نظریه‌پرداز را جمع آورد. کتاب‌دوستان رجوع کنند به کتاب‌شناسی اخیر نیک [Tice] درباب آثار مربوط به شلایرماخر؛ همچنین فهرست مفیدی از آثار درجه‌ی دوم در باب فلسفه‌ی دیلتای را می‌توانند در کتاب مولر ـ فولمر [Müller-Vollmer] بیابند؛ و در باب هایدگر، رجوع کنند به لوبه [Laibhe]، اشنیبرگر [Schneeburger] و ماکامیر [Macomber]. خوشبختانه بسیاری از مقالات و نوشته‌های پراکنده‌ی گادامر اکنون در نوشته‌های کوتاه [Kleine Schriften] او چاپ شده‌اند؛ و این امر فهرست کردن دوباره‌ی آن‌ها را در این‌جا زائد می‌سازد، گرچه برخی از آن‌ها که در نوشته‌های کوتاه چاپ نشده‌اند در این‌جا فهرست شده‌اند تا تصوری از دیگر آثار منتشره‌ی گادامر به دست دهند. کتاب‌شناسی مفصل و نظام‌واری از علم هرمنوتیک در اواخر ۱۹۶۸ به اهتمام نوربرت هنریکس منتشر خواهد شد.

بخش سوم صرفاً با این قصد فراهم شده که تصوری از تنوّع زمینه‌هایی که سه نظریه‌ی هرمنوتیکی مربوط می‌شوند و اهمیت آن‌ها، به طوری که در فصل پنجم

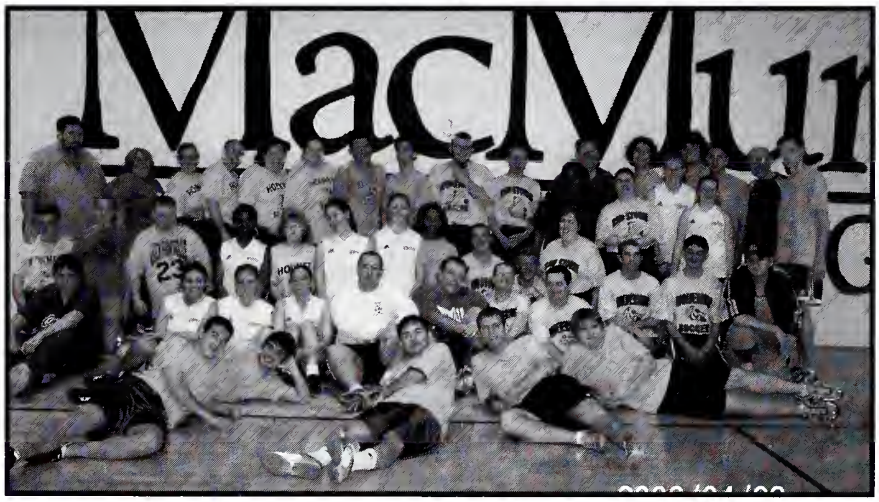
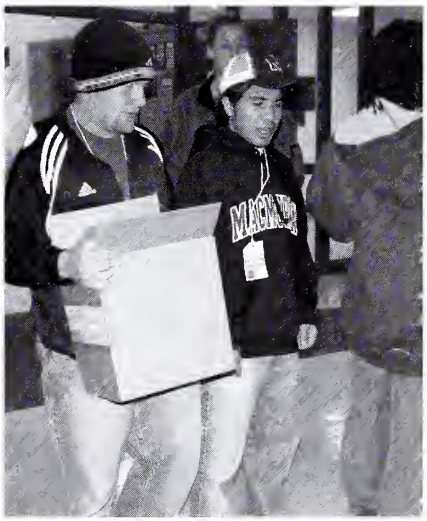
ORGANIZATIONS

Soccer Special Olympics



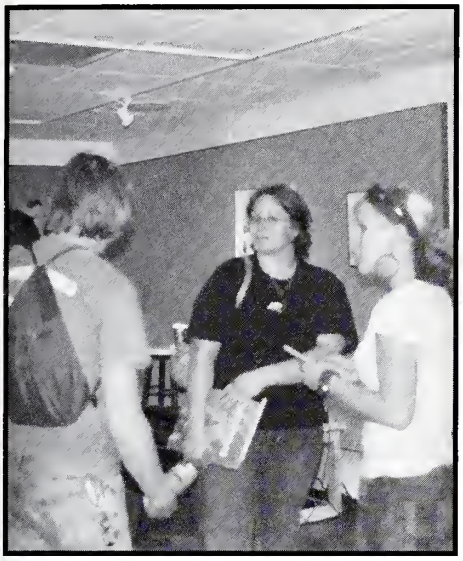
The Special Olympics brings together the men's and women's soccer teams who help teach kids all about the sport. It's a great way to have fun and make new friends in the process.

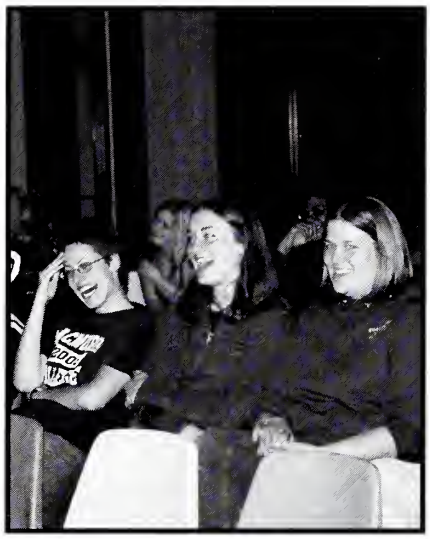


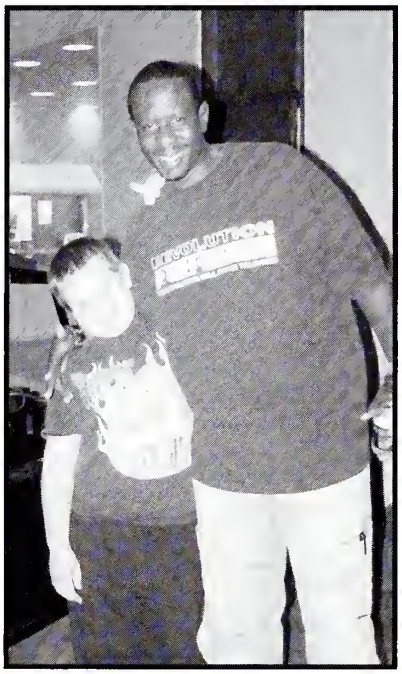
The Athletics Department held a food drive during homecoming weekend for the benefit of the local food pantry. The athletes went door-to-door and asked for donations of canned goods which were given to the pantry which was in bad need of supplies.

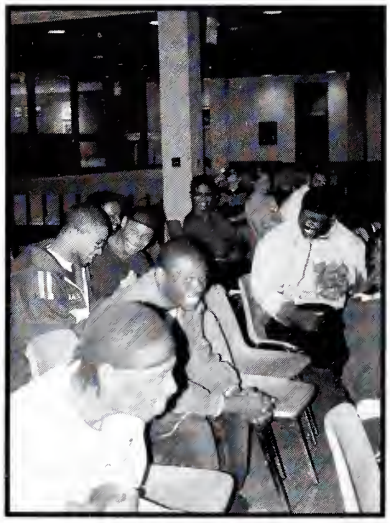
Campus Activities Board

Bringing Entertainment for Everyone Straight to Campus





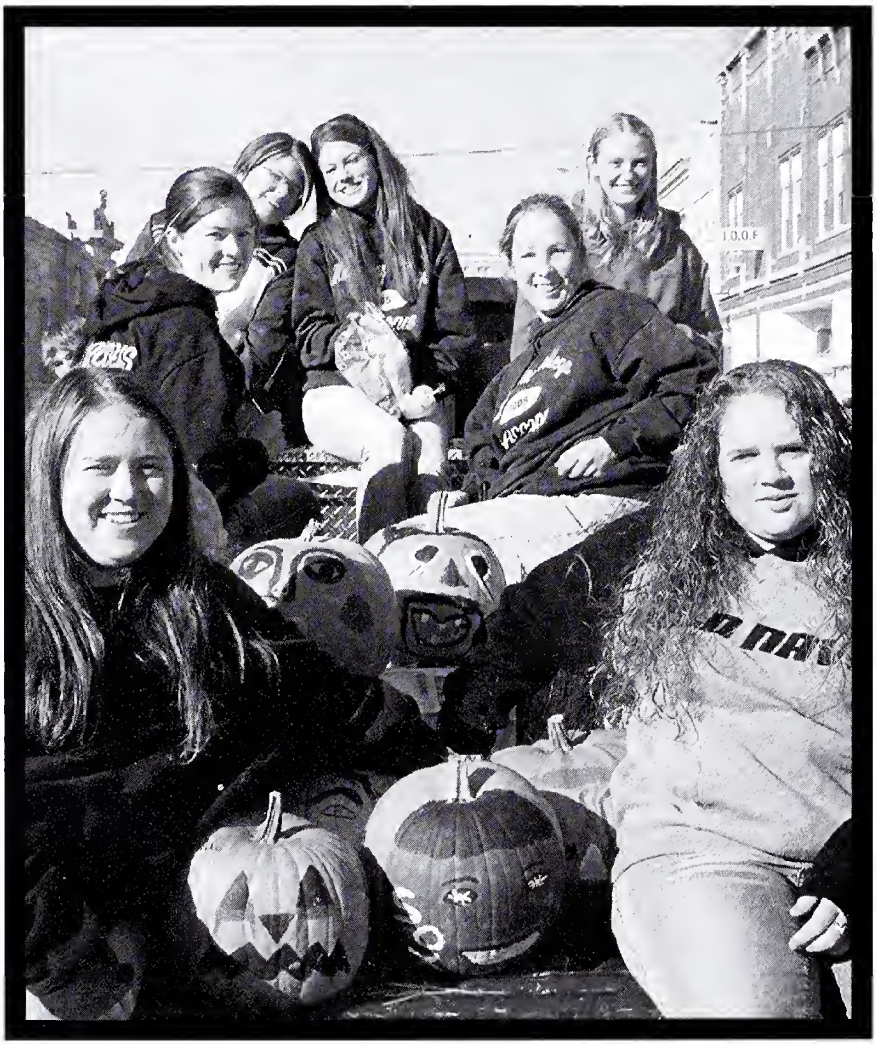




From music to laughter, CAB provided it all for campus this year. They found something for every one of the students to enjoy and really made the campus come together!

Bacchus

Boosting Alcohol Consciousness Concerning the Health of University Students



BACCHUS is an international association of college and university-based peer education programs focusing on alcohol abuse prevention and other student health and safety issues. Our mission is to actively promote peer education as a useful element of campus health education and wellness efforts.

In the picture above you see a small group of BACCHUS members gathered together to ride in the homecoming parade.

Phi Nu

A great society made up of dedicated, fun-loving, and loyal MacMurray women. Phi Nu is a service/social society, which means they do several service projects for the Jacksonville and MacMurray communities each semester. Their past service projects include such things as a Canned Food Drive, Blood Drives, Bowl for Kids Sake, and raising money for Big Brother/Big Sister by participating in Sigma Tau Gamma's "Sig Tau Days". Other than service projects, they have many gatherings only for Phi Nu members, which are wonderful bonding experiences that build great friendships.

Omega Theta Psi

This society was formed in 2001 by four male students who wanted to improve the campus life at MacMurray College. The society has grown over the last few years, more than doubling in numbers of members. It is the only chapter known anywhere, and is built on the pillars of Service, Respect, and Brotherhood. The kind of service projects that Omega Theta Psi is proud to be a part of include running the Youth Swim Meet for the Sherwood Eddy Y.M.C.A. in Jacksonville, tutoring and mentoring elementary students at their local after-school program sites, and stepping up as Special Olympics volunteers. They also offer assistance to the MacMurray Physical Plant office as volunteers for campus maintenance and groundskeeping.

Belles Lettres

Belles Lettres Society was founded in 1851 by eighteen remarkable women. The original intention of the organization was to serve a literary and social society. The original Belles Lettres Society disappeared from MacMurray College, but returned in the fall of 2003. Today Belles Lettres is an organization of women who are working to make a difference at MacMurray College while finding fulfillment in sisterhood. As a society, they have participated in fundraisers for Big Brothers/Big Sisters of Morgan County through "Sig Tau Days", car washes, and other service projects. Belles Lettres is an active organization filled with fun and energetic women who are proud of their society.

MacMurray students assume major responsibility for conduct of their college life through student government. This student-elected government acts in both legislative and executive capacities when dealing with the significant issues of college life. The MacMurray Student Association (MSA) is charged by its charter from the Board of Trustees of the College to use its power for the best interests of the students and in accordance with the standards and ideals of the College. The MSA provides the opportunity for individual students to participate in the legislation, execution and adjudication of their government and to provide a means for the equal and proper representation for all active campus organizations.
